RE: Application of Condor Environmental, Incorporated Requesting an Expansion of  
Its Existing Sewer Service Area to Include Certain Portions of Anderson County  
and Saluda County and Approval of Agreement (Request for Expedited Review)  
**Docket No. 2020-275-S**

Dear Ms. Boyd:

Condor Environmental, Inc. filed its Motion to Allow Service on a Provisional Basis (Expedited Consideration Requested) on November 23, 2020. Under Commission Regulation 103-829(A), responses to Condor's Motion would be due December 3, 2020. However, Order No. 2020-792 directed "ORS to provide the results of its discovery and/or review of Condor and its Application and Motion to the Commission within ten (10) days from this Directive[.]" Out of an abundance of caution, ORS respectfully requests clarification that Order No. 2020-792 extended the time to respond to Condor's Motion. If Order No. 2020-792 did not extend the time to respond, ORS would respectfully request an extension to respond to Condor's Motion until December 14, 2020.

Thank you for your consideration.

Sincerely,

*s/Alexander W. Knowles*
